3.0 Review Taskforce Purpose and Tasks

3.1 Purpose: To ensure the public has access to the facts about the CPC, its activities, and its progress. In addition, this group will establish a process to collect input from the corridor's mayors, county board members, businesses, property owners, area residents, and road users on the alignment, character of the road and land use. We will make sure there is a mechanism in place to ensure the anonymity and uniqueness of the survey respondent.
