4.0 Review Taskforce Purpose and Tasks

4.1 Purpose: To ensure the public has access to the facts about the CPC, its activities, and its progress. In addition, this group will establish a process to collect input from the corridor's mayors, county board members, businesses, property owners, area residents, and road users on the alignment, character of the road and land use. We will make sure there is a mechanism in place to ensure the anonymity and uniqueness of the survey respondent.

4.2 Joint Task Force Meeting Discussion –

May 4, 2006 at the University Center of Lake County, Grayslake.

Purpose: Bring together four task forces and planners, engineers, village managers from the Route 120 corridor who may not be

serving on a task force. Task forces will begin finalizing maps, develop the final challenges/opportunities report, and understand the development patterns that will be included in the information turned over to the Project Consultants once selected.

4.3 Review proposed Rte. 120 Project Schedule.

4.4 Public Information Meeting Format Discussion –
May 23, site to be determined. Disseminate information to the public. Lake DOT to assist in setting up the meeting. Review proposed presentation agenda.
